

Plan Questionnaire

This questionnaire is designed to help you think through key estate planning decisions before getting started. You do not need to have all the answers, and you do not need to complete this document to move forward.

Many people find it helpful as a conversation guide, especially when coordinating with a spouse, partner, or family members. **Wealth.com** is designed to guide you through each step, provide additional context, and explain why certain questions are asked, so you can make thoughtful decisions with confidence and clarity.
